

28 August 2025

ERRATUM

EOI Number: 8110/09/09/2025- Expression of Interest (EOI) for the provision of hybrid conversion services and components for an internal combustion engine (ICE) Toyota Land Cruiser to a hybrid electric vehicle (HEV) configuration to the CSIR

On Tuesday, 26th of August 2025, the Council for Scientific and Industrial Research (CSIR) invited suitably qualified and experienced service providers to submit quotations for the above-mentioned Expression of Interest (EOI). Please note the following changes in the advertised tender documents:

1. The main EOI document indicated that the closing date for the tender is the 9th of September 2025 at 16:30. The new date for the closing date of the tender is the 19th of September 2025 at 16:30.
2. Panel Engagement
Pre-qualified suppliers will be approached for quotations on specific requirements on an “as and when required” basis for a period of three years. The specifics for each request will be indicated on the Request for Quotation (RFQ) documents, and these will include but not limited to, the supplier’s capability to meet the required delivery timelines, required services.

Supplier to provide a quotation and BBBEE certificate or affidavit

CSIR to provide the selected supplier with a purchase order for the work before any work can commence.

The CSIR appreciates your interest in responding to the Request for Proposal.

The CSIR wishes to encourage you to submit a response to this tender, and to apologise for any inconvenience caused.
