

STRATEGIC PROCUREMENT UNIT

02 September 2025

ERRATUM

RFP 3692/03/09/2024

The CSIR invites suitable and qualified service providers to modernise the telephony system by implementing a cloud-based telephone solution, including ongoing maintenance and support of the related telephony infrastructure for a period of five (5) years.

On 19 August 2025, the Council for Scientific and Industrial Research (CSIR) invited suitably qualified and experienced service providers to submit proposals for the above-mentioned RFP. The original closing date for tender submissions is 03 September 2025.

The closing date and time have been extended from Wednesday, 03 September 2025, at 16:30 to Friday, 12 September 2025, at 16:30

Please note the following amendments in the advertised bid document:

1. Annexure D Pricing Schedule

AMENDMENT

- Inclusion the following items in alignment with the RFP requirements: Bulk SMS services along with the specified quantities for the Session Border Controller (SBC) session licenses:
 - Bulk SMS cost
 - Session Border Controller Session licenses

The CSIR appreciates your interest in responding to the Request for Proposal. The CSIR wishes to encourage you to submit a response to this tender, and to apologise for any inconvenience caused.

Failure to apply the amendments communicated in this erratum may lead to disqualification
